Paper No. 9

In re Patent No. 6,408,630 :  
Issue Date: June 25, 2002 :  
Application No. 09/756,896 : Letter  
Filed: January 9, 2001 :  
Attorney Docket No. 99-1101P-A :

This is in response to the letter submitted December 13, 2010. The letter appears to request consideration of a Revocation of Power of Attorney With New Power of Attorney and Change in Correspondence Address that was allegedly previously filed in this application. A copy of this request is included with the instant letter. Office records do not show receipt of this request previously.

The letter includes fifteen (15) attachments but it is noted that most of these attachments are papers that were filed in Application No. 09/434,873 which was the parent application for the above noted application. 09/756,896 is a continuation of 09/434,873. One of the attachments is a letter dated June 13, 2006 which appears to request a change in Power of Attorney and also makes payment of the first maintenance fee. Office records show the first maintenance fee and surcharge were paid timely on August 25, 2009.

The request for change in Power of Attorney was not processed and is not acceptable. This request was filed by George Edwards as the President and CEO of PC/AC Inc. Edwards did not submit the required statement under 37 CFR 3.73 for establishing right of assignee to take action.

Attached are two forms, PTO/SB/96 Statement Under 37 CFR 3.73(b) and PTO/SB/123 Change of Correspondence Address for a Patent. The Statement Under 37 CFR 3.73(b) needs to be completed by Edwards before his signature can be accepted for any papers filed in regard to the instant patent. The form for change in correspondence address is for establishing a new correspondence address for a patent.

It is noted that the current status of the above identified patent is "PATENT EXPIRED DUE TO NONPAYMENT OF MAINTENANCE FEES UNDER 37 CFR 1.362". Office records show that the second maintenance fee due at 7 ½ years was not paid.
